

WHAT IS SHUCKIN' GOOD CAUSE

Shuckin' Good Cause is the philanthropic pearl cultivated by Oysters Rock Hospitality, a restaurant group based in Bradenton, FL. **Shuckin' Good Cause** is a registered 501(c)(3) not-for-profit corporation. Our Board of Directors is independent from Oysters Rock Hospitality.

WHAT WE DO

Shuckin' Good Cause is a public charity responsible for raising and administering money to support a variety of local initiatives. **Shuckin' Good Cause** initiatives include our Employee Assistance Fund, Dive Into Reading and other Shuckin' causes.

All Shuckin' causes are derived from our Pillars of the Philanthropy: Education, Heros, Quality of Life and Affiliations. Our Fund is supported by:

- Public donations - tax deductible
- Voluntary payroll deductions into an employee relief fund
- Special events and sales at ORH restaurants
- Grants and Donations from the Hospitality Industry and Community Partners

WHY IT MATTERS

Shuckin' Good Cause reflects our commitment to the vision of Oysters Rock Hospitality, which is to ensure that everyone at our table knows that they belong, and in the spirit of hospitality, that we care for one another, regardless of situation or circumstance.

HOW TO HELP

Donations to support our initiatives can be made anytime online. Throughout the year, ORH also raises funds for, and contributes independently to, a variety of partner organizations that are identified as "**Shuckin' Good Partners.**" Mostly local non-profits, these groups are classified into four **Pillars of Philanthropy:**

EDUCATION

The primary focus of Shuckin' Good Cause, we are dedicated to supporting literacy and second-chance educational opportunities

HEROES

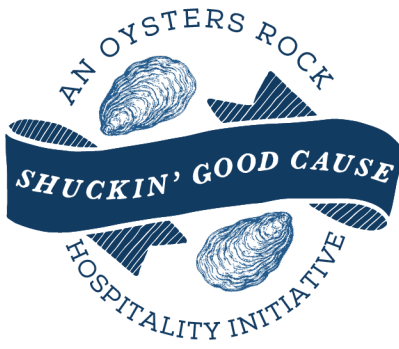

Support for First Responders including law enforcement, active-duty military and veteran groups

AFFILIATIONS

Advocacy groups for the hospitality industry and business community

QUALITY OF LIFE

Organizations dedicated to improving quality of life in two ways: 1), for individuals with health challenges, and their families; and 2), for all community members through arts, culture, and placemaking.
